14' X 70" HIGH L'OREAL COSMETICS LAYOUT - SPRING 2020

This image shows a complex mathematical grid puzzle, likely a variant of a Kakuro or a similar logic puzzle. The grid is composed of small squares, some of which contain numbers, and others which contain symbols like asterisks (*). The numbers are arranged in a way that suggests a specific pattern or rule, possibly related to the numbers 1 through 9. The symbols are placed in a way that might indicate a specific condition or constraint. The overall layout is a large rectangle divided into smaller sections by dashed lines, with some sections containing multiple rows of numbers and symbols. The puzzle is presented in a way that is both challenging and visually appealing, with a clear focus on the numbers and symbols themselves.
